## MEETING DOCUMENTS

The Agenda, the List of participants and other relevant background documents are available at the website of the EP's Directorate for Relations with National Parliaments

<https://www.europarl.europa.eu/relnatparl/en/interparliamentary-meetings.html>

## SPEAKING TIME

Ahead of the meeting, MPs were informed about the need of the **mandatory online pre-registration of their requests for taking the floor** in the exchanges of views foreseen in the agenda of the ICM.

Technical restrictions applicable to remote meetings would make difficult to accommodate spontaneous requests for taking the floor during the meeting.

An indicative list of floor requests will be established based on MPs' expression of interest for intervening in various debates. Given the limited time reserved to exchanges of views, it cannot be guaranteed that all requests will be accommodated.

The aim is to ensure that all Parliaments /Chambers have the opportunity to participate in the debate. In their endeavour to fulfil the highest number of requests, the Chair may reduce MPs' speaking time during the debate in accordance with the number of requests for the floor.
