Presentation of the topics

Session 1: Tax and anti-money laundering issues

The European Parliament’s legislative and inquiry work in the area of tax and AML (lessons learnt, key messages, implementation at EU and national level) and Taxation of the Digital Economy

This session is an opportunity for the EP to discuss its past legislative and inquiry work in the area of tax and AML with National MPs. Main topics for discussion: CC(C)TB, CBCR, digital taxation, qualified majority in the tax area, golden visa, AML supervision in the banking sector and VAT reforms.

Session 2: Banking Union - the challenges ahead

This session would allow a broad discussion of the challenges facing the Banking Union. Issues to be addressed might include Brexit preparedness, risk-sharing and risk reduction, anti-money laundering etc.
