

## Factsheet:

### Romanian Chamber of Deputies (Camera Deputa ilor)

#### 1. At a glance

Romania is a constitutional republic with a democratic multiparty parliamentary system. The bicameral parliament (Parlamentul României) consists of the Senate (Senat) and the Chamber of Deputies (Camera Deputa ilor). The Chamber of Deputies and the Senate are elected every four years by universal, equal, direct, secret, and freely expressed suffrage. In the 2016 legislative elections, following the amendment of electoral law in 2015, deputies and senators were elected based on a proportional electoral system, last used in the 2004 elections, and which replaced the uninominal voting system.

The new electoral law provides a norm of representation of 73.000 inhabitants for deputies and 168.000 inhabitants for senators which led to a decrease in the number of MPs: from **588** to **466** parliamentary seats (**308 deputies, 18 minority deputies, and 134 senators**). The Romanian diaspora is represented by four deputies and two senators.
