

COMMITTEE ON AGRICULTURE AND RURAL DEVELOPMENT
THE CHAIR

7 March 2018

To the Chair of the committee concerned

Dear Colleague,

I am pleased to inform you that the European Parliament's Committee on Agriculture and Rural Development (AGRI) will organize an interparliamentary committee meeting with the committees of the Member States' Parliaments responsible for agriculture and rural development, on the following subject:

“Towards the CAP after 2020: the future of food and farming”

The meeting will take place on **24 April from 12.00 to 18.00** on the European Parliament's premises in Brussels, in the framework of the monthly meeting of the Committee on Agriculture and Rural development.

As you will know, the legislative proposals for the future agricultural policy are expected to be adopted in June and they will predefine the framework of the future programming period and the effectiveness of the future policy.

In this context, our meeting in April will offer the possibility to national Parliaments to express their views on the main elements of the new agricultural policy with a special focus on implementation challenges at national level.

We are therefore pleased to invite up to four members of each national Parliament (two from each chamber in the case of bi-cameral Parliaments) to participate in this event and to make a short presentation of your Committee's views on the matter.

Should you be unable to attend, we would welcome any written contribution which would be distributed to our respective Members and other participants.

Please find attached the preliminary draft programme of the meeting. Practical details regarding the event will be forwarded in due course to your Parliament's services for relations with the European Parliament.

We sincerely hope that you will be able to accept the invitation and we are looking forward to welcoming you to the European Parliament on 24 April 2018.

Yours sincerely,
